

Rob Thomas, Her Diamonds

Oh what the hell, she says
I just can't win for losing
And she lays back down
Man there's so many times
I don't know what I'm doin'
Like I don't know now
By the light of the moon she rubs her eyes
Says it's funny how the night can make you blind
I can just imagine
And I don't know what I'm supposed to do
But if she feels bad then I do too
So I let her be

And she says ooh, I can't take no more
Her tears like diamonds on the floor
And her diamonds bring me down
Cause I can't help her now
She's down in it
She tried her best and now she can't win
It's hard to see them on the ground
Her diamonds falling down, way down

She sits down and stares into the distance
And it takes all night
And I know I could break her concentration
Oh oh but it don't feel right

By the light of the moon, she rubs her eyes
Sits down on the bed and starts to cry
And there's something less about her
And I don't know what I'm supposed to do
So I sit down and I cry too
But don't let her see

And she says ooh, I can't take no more
Her tears like diamonds on the floor
And her diamonds bring me down
Cause I can't help her now
She's down in it
She tried her best and now she can't win it's
Hard to see them on the ground
Her diamonds falling down

She shuts out the night
Tries to close her eyes
If she can find daylight
Then she'll be all right
She'll be all right
Just not tonight

And she says ooh, I can't take no more
Her tears like diamonds on the floor
And her diamonds bring me down
Cause I can't help her now
She's down in it
She tried her best and now she can't win
it's hard to see them on the ground
Her diamonds falling down [x2]
I can't take no more
Diamonds on the floor
No more, no more, no more
Diamonds falling down
I can't take no more
Diamonds on the floor

No more, no more
Diamonds falling down
Her diamonds falling, all her diamonds
Diamonds falling down
I can't take this diamonds falling down
