

# Rob Thomas, This Is How A Heart Breaks

Don't you wanna go for a ride  
Just keep your hands inside  
And make the most out of life  
Now don't you take it for granted

Life is like a mean machine  
It made a mess outta me  
It left me caught between  
Like an angry dream I was stranded  
I was stranded

And I'm steady but I'm starting to shake  
And I don't know how much more I can take

This is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now you feel it break down  
Make you stay wide awake  
This is how a heart breaks

Don't you wanna go for a ride  
Down to the other side  
Feels so good you could cry  
Now won't you do what I told you  
I remember when you used to be shy  
Yeah, once we were so fine  
You and I why you gotta make it so hard on me  
Yeah its hard on me

And I'm sorry but it's not a mistake  
And I'm running but you're getting away

This is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now you feel it break down  
Make you stay wide awake  
This is how a heart breaks  
This is how a heart breaks

You're not the best thing that I knew  
Never was never cared too much  
For all this hanging around  
It's just the same thing all the time  
Never get what I want  
Never get too close to the end of the line  
You're just the same thing that I knew  
Back before the time when i was running from you

This is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks  
You take a hit now you feel it break down  
Make you stay wide awake  
This is how a heart breaks

Yeah this is it now  
Everybody get down  
This is all I can take  
This is how a heart breaks

You take a hit now you feel it break down  
Make you stay wide awake  
This is how a heart breaks (ooooo)(ah yeah)(ooooo)
