How big is life? can it ride like the butterfly? star in the
Dust - rocketman - supersky - sugar on the hill - explode and
Never die - I think I will - come on take it! high - I gotta o
Yeah! so high - I gotta o yeah! come on! so loosely
Illustrated - a trick of light - I demonstrated right to
You what you do! how high is up? can it reach at the
Butterfly? rise in the howl hit me
Cold - supersky - witness the kill
Explode! never die - I think I will -
Come on! take it! high - I gotta o
Yeah! so high - I gotta o yeah! come
On! so loosely illustrated - a trick
Of light - I demonstrated right to
You - what you do - yeah! deaf to
The ear - fat city slang - bloody ma

Growls &"concentrate the bang&" -
Broadway do - the winter kills -
Astro-creep'n you until-overcome
The devil - deluxe the game - one,
Sweep, spun &"i got no name&" a
Paper thin cut - on the edge of hell
- wrestle with heaven but I never
Fell - sink to a level realize no direction - west of the
Moon - I got no reflection - blood on the stone I do not
Surrender - wait'n for someone I do not remember -
Yeah! I gotta - o yeah! come on! so high - I gotta o yeah!
Come on! so loosely illustrated - a trick of light i
Demonstrated right to you - what you do - cosmic
Monsters waited - turn around incorporated - right to...
