

Rob Zombie, Demonoid Phenomenon (Remix)

(oh) hell on earth
for what its worth
dead on dreaming
you started screaming
the wizard of how
the king of now
cry like a banshee
and die like you want me

Violator(hey)
Desacrator(hey)
Turn around and meet the hater

Violator
Desacrater
turn around and...

Demonoid Phenomenon
get it out get it on
Demonoid Phenomenon
Get it out Get it on

Oh the conquering worm
the slithering germ
lost in the black sleep
i see how the gods weep
the horror of maddness
the terminal saddness
the cool air of mourning
gave me that warning

Violator
Desacrator
turn around and meet the hater
Violator
Desacrator
turn around and...
(enjoy that dead girls body)

Demonoid Phenomenon
Get it out get it on
Demonoid Phenomenon
Get it out Get it on
