

# Rob Zombie, Revenge

Live to die  
For a heart jam  
Fight to love a  
Super bitch  
Drive her roots  
Straight to hell  
Atomic ass 99  
Another cosmic monster  
Spits his teeth  
In your eye  
More dead than alive

Revenge is better than  
Love  
Revenge is better than  
Love

Frankenstein  
Was built for you  
But he must be  
Destroyed  
Cut him down yeah  
In his prime  
And let the party  
Begin  
Not much of a face  
Tombstone laughing  
More dead than alive

Revenge is better than  
Love

Revenge is better than  
Love

Revenge  
Revenge  
Revenge  
Revenge

They sharpened their war  
Pure fear as a weapon  
Brilliance through  
Centuries  
Time rolls on and on and  
The river of life  
Drowning everyone but me

Turn my back  
And disappear  
Chill is in my gut  
Turns me loose  
Head splits like wood  
Mind collide confession  
Rambling remember when  
Sweat meant something  
More dead than alive

Revenge is better than  
Love  
Revenge is better than  
Love
