Rob Zombie, The ballad of resurrection

Insane Blue at the green man inn Cut the lights and pray that you're dead Opium dreams through the seven dials And feel the pillow over your head Rachel hide from Ned the crow Keen eye on the peelers **Experiment 53** And no scratch for the dealers She wants some more Sweet Rosa whore She wants some more Sweet Rosa whore I say hell is love You say I must suffer She's a motherfucker Ressurrect me I say hell is love You say I must suffer She's a motherfucker Ressurrect me Sleep well in your killing bed Give a jig and show some life Favor for a favor Don't seperate the Pain from the knife All the doctors sing You got to suffer for the cure As the world fades away You wonder where you were She wants some more Sweet Rosa whore She wants some more Sweet Rosa whore I say hell is love You say I must suffer She's a motherfucker Ressurrect me I say hell is love You say I must suffer She's a motherfucker Ressurrect me She wants some more Sweet Rosa whore She wants some more Sweet Rosa whore I say hell is love You say I must suffer She's a motherfucker Ressurrect me I say hell is love You say I must suffer She's a motherfucker
