

Rob Zombie, Thunder Kiss '65

well sweet little sista's high in hell cheat'n on a halo -
grind in a odyssey holocaust heart kick on tomorrow -
breakdown - agony said "ectasy" in overdrive she come a
riding on the world - thunder kiss'n 1965 - yeah - wow!
five - yeah - wow!! demon-warp is coming alive in 1965 -
five - five - yeah - livin' fast and dying young like a
endless poetry - my motor-psycho nightmare freak out
inside of me - my soul salvation liberation on the drive -
the power of the blaster move me faster - 1965 - yeah -
wow! - five - yeah - wow! - demon-warp is coming alive in
1965 - five - five - yeah - gimme that gimme that now - now
- now - yeah - roll'n like a supersonic another fool that
gets down on it - pig sweat a million miles - i got a heart
atomic style - i make it look easy - that's what i said -
blast of silence explodes in my head - yeah - yeah - yeah -
gimme that gimme that now - step
to the moonshine frenzy hail: the
ressurrection - what's new pussycat?
can you dig the satisfaction? well,
you can't take it with you but you
can in overdrive - yeah! some like it
hot and twist'n, 1965 - yeah - wow! -
five - yeah - wow! demon-warp is
coming alive in 1965 - five - five
