

Rob Zombie, Unholy Three

[Hidden track in the end of 'House of 1000 Corpses']

The effect is distinguishly 10 minutes faster now

I'm going to need stronger douses, more frequently now

None the less, humans are more sexual than animals, you know it!

That all you thnk about, makes you feel like all the sex you can want,

Oh please!

Unholy just like you, yeah yeah

Unholy just like me, no no

Unholy just like you, yeah yeah

Unholy three

You do not relize what we have hear! In our very hands, we have the cosmic of creation it self. In our very hands, we can mold life, take it apart, put it together again, MOLD it like putty.

What you are doing is mad, it is diabolic!

Unholy just like you, yeah yeah

Unholy just like me, no no

Unholy just like you, yeah yeah

Unholy three
