

Robben Ford, Busted Up

Busted up over you
Busted up over you
Well, you take what you want
and you leave the rest behind
That ain't too friendly
Busted up over you

Busted up over you
Busted up over you
Well, you open up the door
and you slam it in my face
That ain't too friendly
Busted up over you

Don't wanna do without your lovin'
Don't wanna do without the fun we had
Why you gotta be such a heartbreaker
You made me love you, now you're gone, gone, gone

Busted up over you
I'm busted up over you
Well, you tell me I'm the one
but you treat me like a fool
It's not too friendly
Busted up over you
