

Robbi McMillen, Amen

Amen Amen, Save me from what I must see,
This world has lead me, everything I cannot win,
Hold me near in your heart, Amen, Amen!
Send me to were you belong, Amen!

Hold me, save me, love me, need me,
Want me, hold me, care for me, don't leave me.
Hold me, save me, love me, need me,
Want me, hold me, care for me, don't leave me.

Amen, Amen, Amen, Holy Father, Amen, Amen!
Amen, Amen, Amen, Holy Father, Amen, Amen!

Protect me from what I must feel, Amen, Amen,
Sheild me from the blood of the sea, now please,
Hold me at heart in line, you know, i know,
Love me, cherish me, believe me, Amen!

Amen, Amen, Amen, Holy Father, Amen, Amen!
Amen, Amen, Amen, Holy Father, Amen, Amen!

The waters shall, shall fall down,
Shall fall down, from the heavens.
Ghosts shall come, to haunt us all,
As will love from heaven.

Amen, save me, trust me, truth me, intwine me,
Find me, save me, carry me, time, just time, Amen!

Amen, Amen, Believe the sould, and you will find,
What's behind, what's inside, don't dare hide,
I will find you, if you do be found, Amen, Amen!
Hold me beneath your banner kind, Amen.

Ach thinig t ar ais, gan dul ar shiil,

The waters shall, shall fall down,
Shall fall down, from the heavens.
Ghosts shall come, to haunt us all,
As will love from heaven.

Amen.
