

# Robbie Robertson, Fallen Angel

Are you out there  
Can you hear me  
Can you see me in the dark  
I don't believe it's all for nothing  
It's not just written in the sand  
Sometimes I thought you felt too much  
And you crossed into the shadowland  
And the river was overflowing  
And the sky was fiery red  
You gotta play the hand that's dealt ya  
That's what the old man always said  
Fallen Angel  
Casts a shadow up against the sun  
If my eyes could see  
The spirit of the chosen one  
In my dream the pipes were playing  
In my dream I lost a friend  
Come down Gabriel and blow your horn  
'Cause some day we will meet again  
Fallen Angel  
Casts a shadow up against the sun  
If my eyes could see  
The spirit of the chosen one  
All the tears  
All the rage  
All the blues in the night  
If my eyes could see  
You kneeling in the silver light  
Fallin', fallin', fallin' down  
Fallin', fallin' down  
Fallin', fallin', fallin' down  
Fallin', fallin' down  
Fallen Angel  
Casts a shadow up against the sun  
If my eyes could see  
The spirit of the chosen one  
All the tears  
All the rage  
All the blues in the night  
If my eyes could see  
You kneeling in the silver light  
If you're out there can you touch me  
Can you see me I don't know  
If you're out there can you reach me  
Lay a flower in the snow
