

# Robbie Robertson, Showdown At Big Sky

Soldier of fortune  
He's a man of war  
Just can't remember  
What he's fighting for  
Start a revolution  
Right before your eyes  
When you hear the big bang  
Don't you be surprised  
C C/E  
Showdown at big sky  
F D7  
Darkness at high noon  
C C/E  
Showdown at big sky  
F D7  
That day may be soon  
C  
People, people  
Can you hear the sound  
F D7  
From every village and every town  
C  
Let the bells ring out  
C/E  
Hear the bells ring in  
F  
Let the bells ring out  
D  
Keep them ringing, ringing  
Can't predict the future  
Can't forget the past  
Feels like any moment  
Could be the last  
All you believers  
Standing inside this room  
Can't you see it coming  
Shooting out across the moon  
Save this place  
In the valley of tears  
By the river of time  
From weapons race  
In the Book of David  
In the holy Bible  
When it's laid to waste  
It will be written  
By the children of Eden  
I said save this place  
And the Holy Ghost  
Showdown at big sky  
Darkness at high noon  
Showdown at big sky  
That day may be soon  
People, people  
Can you hear the sound  
From every village and every town  
Let the bells ring out  
Hear the bells ring in  
Let the bells ring out  
Keep them ringing, ringing  
Save this place  
In the valley of tears  
By the river of time  
From weapons race  
In the Book of David

In the holy Bible  
When it's laid to waste  
It will be written  
By the children of Eden  
I said save this place  
And the Holy Ghost  
Showdown at big sky  
Darkness at high noon  
Kiss tomorrow goodbye  
That day could be soon  
Give us strength  
Give us wisdom  
And give us the morals  
Let the bells ring out  
Hear the bells ring in  
Let the bells ring out  
Keep them ringing, ringing  
Let the bells ring out  
Hear the bells ring in  
Let the bells ring out  
Keep them ringing, ringing
