

# Robbie Williams, Do Nothin' Til You Hear From Me

Do nothing till you hear from me  
Pay no attention to what's said  
Why people tear the seam of anyone's dream  
Is over my head

Do nothing till you hear from me  
At least consider our romance  
If you should take the words of others you've heard  
I haven't a chance

True, I've been seen with someone new  
That doesn't mean I've been untrue?  
While we're apart, all the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And other arms may hold a thrill  
But please do nothing till you hear it from me  
And you never will

True, I've been seen with someone new  
That don't mean I've been untrue?  
While we're apart, the words in my heart  
Reveal how I feel about you

Some kiss may cloud my memory  
And other arms may hold a thrill  
But please do nothing till you hear it from me  
Please do nothing till you hear it from me  
Please do nothing till you hear it from me  
Baby you never will

That's the truth I'm a liar  
And don't tell your mama
