Robbie Williams, Everytime We Say Goodbye

Everytime we say goodbye I die a little Everytime we say goodbye I wonder why a little Why the gods above me Who must be in the know Think so little of me They allow you to go

When you're near There's such an air Of spring about it

I can hear a lark somewhere Begin to sing about it There's no love song finer But how strange the change From major to minor Everytime we say goodbye

There's no love song finer But how strange the change from major to minor Everytime we say goodbye
