Robbie Williams, Falling In Bed

I met her at an aftershow party I said have we met before? She said hardly She had a curry stain That was down her cardie But her teeth were clean So I said smartly

I'm falling in love again I'm so in lust with you Pillow over head again I'll suffocate with you If you ask me to

She was educated at this school called rada She was made to go by her mother And financed by her father She said room 211 and I said (laugh) rather I got her name wrong once or twice I said I'll call ya carol, yeah? She said that would be nice

I'm falling in love again I'm so in lust with you My pillow over head again I'll suffocate with you If you ask me to

So I strolls of to the reception And I ask for me room key The maitre'd - hello He seemed pleased to meet me I went to the lift and pressed button two But very discreetly The doors close and she went for my briefs

See me Falling in bed again I'm so in lust with you Pillow over head again I'll suffocate in you If you ask me to Ohhhhh to

But in the throws of passion It hit me right between the head I looked down at her She had a bit of cabbage stuck between her teeth And I said I think I'm in love with ya I want ya kids an' getting married to ya And she said Chill out Rome wasn't built in a day And I said I wasn't on that job
