Robbie Williams, Lazy Days

Lazy days calling to you
Come out to play
The future lies with you
Now you can be sure love is the cure
What we're searching for
Is to have a jolly good time

Crazy days but you'll get me through And here I'll stay holding on to you Now you can be sure Our thoughts unpure Will unlock the door And we will have a jolly good time

It can happen in any season
We don't need any reason
To sit around and wait
The world can change in a second so
I find the sunshine beckons me
To open up the gate
And dream and dream

Lazy days don't let them get you down Wear your smile I don't want to see you frown Don't let them get you down

It can happen in any season
We don't need any reason
To sit around and wait
The world can change in a second so
I find the sunshine beckons me
To open up the gate
And dream and dream

Then we will have - a jolly good time
