

Robbie Williams, Time For Change

for once in your life
make it matter
for once in your life
let it be

why don't you handed all over
and singing out loud whit me

so we will all be forgotten
while we are still on Earth
sing about love
and forget about loss
and shout for every words

come spread the words
that's everyone on Earth

do you remember god old days
when all the children were cheers?

Christmas time
Christmas time
Mary Christmas
and happy new year
