

# Robbie Williams, Tripping

First they ignore you  
Then laugh at you and hate you  
Then they fight you - then you win  
When the truth dies  
Very bad things happen  
They're being heartless again

I know it's coming  
There's going to be violence  
I've taken as much  
As I'm willing to take  
Why do you think  
We should suffer in silence  
When a heart is broken  
There's nothing to break

(Chorus Backing Vocal:  
Want you to love me  
Want you to be  
The heavens above me  
Eternally)

You've been mixing  
With some very heavy faces  
The boys have done a bit of bird  
They don't kill their own  
And they all love their mothers  
But you're out of your depth son  
Have a word

I know it's coming  
There's going to be violence  
I've taken as much  
As I'm willing to take  
Why do you think  
We should suffer in silence  
The heart is broken  
There's nothing to break

All is wonderful in past lives  
Dreaming of the sun she warms  
You should see me in the afterlife  
Picking up the sons of dust

When you think we're lost  
We're exploring  
What you think is worthless  
I'm adoring  
You don't want the truth  
Truth is boring  
I got this fever need to  
Leave the house leave the car  
Leave the bad men where they are  
Leave a few shells in my gun  
Stop me staring at the sun

I know it's coming  
There's going to be violence  
I've taken as much  
As I'm willing to take  
Why do you say  
We should suffer in silence  
My heart is broken  
There's nothing to break
