

Robert Calvert, Hanging Out On The Seafront

Vegas neon skin
Coin arcade
Like Pigalle at night
Esplanade
Could be Amsterdam
Might get laid

Hanging out on the seafront
Hanging out on the seafront
Hanging out on the seafront
Hanging out on the seafront

Play the fruit machines
Get some change
Photos from a booth
Rifle range
People look at me
Like I'm strange

Hanging out on the seafront
Hanging out on the seafront
Hanging out on the seafront

Hanging out on the seafront

All our old horizons
The ocean delivers to the edge of the tide
All a scroll horizons
On a roller-coaster ride

Seagull lizard screech
Turned stone sky
That girl's out of reach
Passed me by
I've been up all night
Wondering how
Clock tower meeting place
One way now

Hanging out on the seafront
Hanging out on the seafront
Hanging out on the seafront
Hanging out on the seafront
