

Robert Cray, Do That For Me

Do that thing you do that makes me feel so good inside
Would you do that for me?
When you do what you do, you rock me out of my socks and shoes, baby
You know I like it

I'm 'bout to lost control
And I want you to know

Now you got my love baby, give me more of yours
Would you do that for me?
Do it for me
Gotta make you mine baby, give me some more time
Would you do that for me?
Do it for me

When I start my day, and try as hard as I can
To make sure you're feelin' good, lend a helping hand
And if you need anything, all you gotta do is tell me
There's nothing I wouldn't do, you know I'm always ready

You've got me heart and soul
And, oh, now you've got my love, baby give me more of yours
Would you do that for me?
Do it for me
Gotta make you mine, and baby kiss me one more time
Would you do that for me?
Do that for me

For me, I'll take you any way that I can
And for you, I hope the feeling is the same
I know that we can work it
Where we can spend more time together just groovin'

Could you do that for me?

I'm 'bout to make a fool of myself
About to fall on my face
If someone else would've come in
He'd catch hell trying to take my place
You can't stop this feeling that I have, that I have that's so bad for you
When you do everything that you do for me, baby

I just can't let you go
And I want you to know

Now you've got my love, baby give me more of yours
Would you do that for me?
Do it for me
Gotta make you mine, and baby kiss me one more time
Would you do that for me?

Do it
Yeah
Now that you've got it
That's the way you do it
Yeah, yeah, yeah
That's the way you do it

Now that you've got it
Yeah, yeah
Ohh!
Baby, kiss me
Ohhhhh

Oh, heah

Oh

Do it, do it, do it, do it, do it, do it, do it
