

# Robert Cray, Holdin' Court

Our love was strong  
As love could be  
But then someone got between  
You and me  
People said we were finished  
When you walked out the door  
I was so worried  
I walked a hole in the floor

But I'm holdin' court tonight  
Surprising all my friends  
I'm holdin' court tonight, baby  
Cause I got you back again

All the one nighters  
That I had to do  
I didn't think about what  
That would do to you  
Some smart guy thought that while I was away  
That he could just slip right in and take my place

But I'm holdin' court tonight  
Surprising all my friends  
I'm holdin' court tonight, baby  
Cause I got you back again

I called you from tomorrow  
To talk about yesterday  
Nothing about I love 'ya  
There's just some bills to pay  
You said that time and loneliness  
Had made you weak  
It's hard not to listen when temptation speaks

We talked about it  
And we set it straight  
And now I'm on the town, baby  
We're gonna celebrate

I'm holdin' court tonight  
Surprising all my friends  
I'm holdin' court tonight, baby  
Cause I got you back again  
I'm holdin' court tonight, yeah....
