

# Robert Cray, I Can't Quit

I can't quit  
Lovin' you  
I can't quit  
Darling  
I'm hypnotized by the things that you do

You lift me up when I'm feeling down  
Make me forget why I'm blue  
There's no need to wake me now, baby  
I belong to you  
I can't quit

Loving you  
I can't quit  
Darling  
I'm mystified by the way that you do  
All my life I've been looking  
But always in vain  
Now all of that's changed, baby  
Since I have you  
Since I have you

SOLO

Oh, I'm not lying  
I've been trying to feel as good as I do  
Daytime, midnight, and morning  
I wouldn't be alive without you

I can't quit  
Loving you  
Not gonna quit ya  
Darling  
I'm paralyzed by the things that you do

All my life I've been lookin'  
But always in vain  
Now all of that has changed, baby  
Now that I have you

All of that has changed, baby  
Now that I have your love

There's no need to wake me up, no, no, no  
No  
Nooooooooo  
Nooooooooo  
Never gonna give you up  
Noooooooo, I can't do it  
Noooooooo, I can't quit  
Never gonna give you up, no, no, no
