

Robert Cray, I'm Gonna Forget About You

I'm gonna forget about you
I'm gonna forget about you
Cause in my lonely time
I'm gonna lose my mind
I'm gonna forget about you
I'm gonna forget about you
I'm gonna forget about you
In my lonely time
I'm gonna lose my mind
I'm gonna forget about you

Now I ask you for respect
And you didn't give me that
I'm gonna give you a coach
And that thing that you don't have happening

I'm gonna forget about you
I'm gonna forget about you
Cause in my lonely time
I'm gonna lose my mind
I'm gonna forget about you

Now if you got a good woman
Don't you let her have her way
'cause a real good woman
You just can't find every day
You better hold on
You better hold on
'Cause if you don't want that vibe
Summer will be your time
You better hold on

Waaa
Hold on yeah
You got a good woman you should hold on yeah
Ohh
You just can't find it every day
Hold on
Uuuu
Hold on yeah
Hold on yeah
Hold on yeah
Hold on yeah
Hold on yeah
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
