

# Robert Cray, I Was Warned

(Robert Cray & Dennis Walker)

Oh, I was warned about her love  
But like a fool I went on  
Whether they're right or wrong  
At least the mystery is gone

The more people talked about her  
The more I had to see  
I had to find out for myself  
What could she do for me  
Her lips were so inviting  
Her hands soft to touch  
After just one kiss  
I knew I was out of luck

From then on I was hers to control  
And knowing that, she robbed me  
Of my heart and robbed me of my soul

Oh I was warned about her love  
And I'll have to stay strong  
Whether they're right or wrong  
At least the mystery is gone

From then on I was hers to control  
And knowing that she robbed me of my heart  
And robbed me of my soul, yeah

Oh I was warned about her love  
But like a fool I went on  
Whether they're right or wrong  
At least the mystery is gone

She had a left hand filled with diamonds  
And the other filled with lies  
She saw right through me  
There was no place to hide  
Now I've finally learned my lesson  
But you'll never tell  
The pain her love left me  
I hide so well

I go on day by day in fear  
And knowing that I'll never, never love again  
Only brings tears

Oh I was warned about her love  
And I'll have to stay strong  
Whether they're right or they're wrong  
At least the mystery is gone  
Whether they're right or wrong  
At least the mystery is gone  
I was warned about her love
