Robert Cray, It's All Gone

Tell what you're thinkin, baby
What's on your mind?
Could it be that what you feel for me
Is getting hard to find?

You say you're falling out of love
Girl I can't believe
That it's all gone
Oh, yeah
You're movin on now

Listen when I tell you, sugar
I'm so in love with you
But the words falling from your lips
Seem to say we're through

All these thoughts that I can't bear
Tell me it's not true
That it's all wrong
Oh, girl
You're movin on now
I'm holdin on
Oh, lord
Don't leave me alone now

I know you've got your needs
But I beg you please
Yeah
Cause when your love comes down
I want it all, I want it all for me
Yeah
How you gonna do it, baby?
Make a blind man see
That it's all gone
Oh, yeah
You're movin on now

Don't take it all away now baby
With nothing in return
Cause if you're trying to teach me something
When am I gonna learn, now?
That it's all gone
Oh, yeah
You're movin on now

Don't break my heart, girl
You are my world
Yeah
You say our love is tumblin down
But that's a sound
I don't wanna hear
Nah
How you gonna do it, baby?
Make a blind man see
That's it's all gone
Oh, yeah
You're movin on, girl
And it won't be long
Oh, lord
Till you're gone, now
It's much too strong
Oh, yeah
Don't leave me alone, girl
I'm holding on

Oh, yeah
Am I so wrong?
