

# Robert Cray, Leave Well Enough Alone

If you lose  
It's because you showed your hand

Somebody called your bluff  
I guess you didn't understand

I thought you learned your lesson  
It's time for you to go home

Cause you don't know how  
You don't know how to leave well enough alone

Crowded rooms  
That's where you make your stand

Talking loud and jivin'  
Trying to take the upper hand

I feel sorry for you, buddy  
No one's pickin' up the phone

Cause you don't know how  
You don't know how to leave well enough alone

Don't know how to do it, man

(Guitar solo)

On your own  
That's where you've always been

Cause you're way too short on patience  
Trying to hard to get ahead

You'd think you know by now, man  
The game you're playin' has gone cold

Cause you don't know how  
You don't know how to leave well enough alone

Hey  
Don't know how to do it, man
