

Robert Cray, Little Boy Big

So it's all said and done
And you promised you wouldn't do it again

Now where are you going?
You've knocked on someone else's door
And you, jived and told some great big lies about it
Don't you think they know you?

Why, when something goes wrong
Do you walk away from love
Just like it was nothing?

You hide, and then you move on
You don't walk away from a good love
Nooo, little boy big

Now she begged and pleaded with 'ya
Tried and she tried and she tried everything that she could

Could you feel it?
You got one more go round this time, little fella
You better take hold to it if you can
You know you've got to

Can you feel it?

You hide, when something goes wrong
Even if it's just a little thing
That throws you off

Why can't you be strong?
You don't walk away from a good love
Noooo

Why, when something goes wrong
You turn your back on love
Just like it was nothing

You hide, and then you move on
You can't walk away from a good love
Noo, little boy big

No, no
La, la, la, la, la, la
La, la, la, la, la, la, la, la
Little boy big

With your hands in your pocket
You walk down the street singin'

La, la, la, la, la, la
La, la, la, la, la, la, la, la
Oh, little boy
Little boy big
