

# Robert Cray, Not Bad For Love

Not bad for love. Not bad at all.  
Isn't it amazing, how it's so strong.  
We've been around much too long.  
To let a little pain, cut us off.

Those days are gone.  
Love's not bad at all.  
Down on my luck and I was lost.  
Could have give up on living, but you didn't let me fall.  
No, no...

Now just because, we don't agree, that doesn't mean  
That you and me, can't be together,  
No, no, no...  
I guess we're hard to keep apart.  
Love's not bad at all!
