

# Robert Cray, Nothing Against You

Nothin' against you  
I don't speak  
If I pass you by  
Look away when we meet

If I turn my back  
And walk the other way  
Just leave me alone  
To myself for awhile

And believe  
It's nothin' against you

Now don't get me wrong  
If I don't call  
If I don't write  
Or let you hear from me at all

If I pull my shades  
When you knock on the door

Just leave me alone  
To myself for awhile

And believe  
Nothin' against you

Ohh, I won't see no one  
Leave me alone  
You don't need to see me suffer  
And hear me weep and moan

Oh, it's hard enough  
Just tryin' to face the day  
So I don't need none of that  
Sorry and all that crap

Just go away

Don't take offense  
When I turn you down  
But since she's been gone  
I don't want anyone around

Just don't be worried about me  
I know what I'm doing

Just leave me alone  
To myself for awhile  
And believe  
It's nothin' against you

Nothin' against you  
Ohh, leave me alone
