

# Robert Cray, Sleeping In The Ground

I would rather see you  
Sleepin' in the ground  
I would rather see you  
Sleepin' in the ground  
Than to be around here  
Knowing you're gonna put me down

Well I gave you all my money  
Girl, and every thing that I own  
Well I gave you all my money  
Little girl, and every thing that I own  
Well one day I'm gonna get lucky  
And down the road, I'm going

I would rather see you  
Sleepin' in the ground  
I would rather see you  
Sleepin' in the ground  
Than to be around here  
Knowing you're gonna put me down
