

Robert Cray, That Wasn't Me

Could I have done something wrong?
Someone broke your heart
I feel sorry for you
If it's the last thing that I do
I'll have to talk to that man
Yes I will

The pain
I see you suffering
And the shame
The news is all over town
Why he left
Is a mystery
Cause I wouldn't have done that
If that was me

That wasn't me
That was someone else
That wasn't me
No, no, that wasn't me
No it wasn't
At all

Could I have done something wrong?

Maybe I did
Maybe I didn't
You know when you went out on me the other night
Didn't come home to about five o'clock in the morning, I said to myself:
"I'm gonna get even with you."
So I went out, too
And even though you said nothin' went--went on, nothin' happened
I refused to believe it, I just, uh
I'll have to talk to that man
Yes I will

That wasn't me
That was someone else
Sure wasn't me
I wanna defend myself
That wasn't me
No, it wasn't
At all

Could I have done something wrong?

That wasn't me
Hey, that was someone else
Sure wasn't me
I wanna defend myself
That wasn't me
No, it wasn't
At all

Could I have done something wrong?
