

# Robert Cray, The Price I Pay

Out on the road  
Late at night  
The highway is so inviting  
Since you said that we were through  
I remember what you told me  
I'm trying to drive away these blues

I can do a lot of things  
But let me tell you girl  
I can't make it by myself, in this great big world  
The price I pay for loving you

Deep in my mind  
I'm trying to fight  
This lonely feeling that I face tonight  
Never thought I would lose  
I can't shake this awful feeling  
I'll never stop loving you

I can do a lot fo things  
But let me tell you girl  
I can't make it by myself in this great big world  
The price I pay for loving you

Do I love her anymore  
Or is it loneliness that I feel  
Do our hearts still beat as one  
Or are we held together by the years  
The price I pay for loving you

I'm goin' home  
It's started rainin'  
Got to find a phone, hope that she's waiting  
Gonna say I've been a fool  
Put my head back on my shoulder  
Take a little time and see things through

I can do a lot fo things  
But let me tell you girl  
That I can't make it by myself in this great big world  
Oh what a price I pay for loving you  
The price I pay for loving you  
There's a lot of things in this world  
I've yet to learn  
There's a whole lot of things
