

Robert Downey, Jr., Chances Are

Chances are you'll find me
somewhere on your road tonight
Seems I always end up driving by

Ever since I've known you
It just seems you're on my way
All the rules of logic don't apply

I long to see you in the night

Be with you 'till the morning light...

I remember clearly
how you looked the night we met
I recall your laughter and your smile

I remember how
you made me feel so at ease
I remember all your grace and style

And now you're all I long to see
you've come to mean so much to me...

Chances are I'll see you
somewhere in my dreams tonight
You'll be smiling like the night we met

Chances are I'll hold you
an I'll offer all I have
You're the only one I can't forget

Baby you're the best I've ever met...

And I'll be dreaming of the future...

... hoping you'll be by my side.

And in the morning I'd be longing for the night
for the night...

Chances are I'll see you
somewhere in my dreams tonight
You'll be smiling like the night we met

Chances are I'll hold you
and I'll offer all I have
You're the only one I can't forget

Baby you're the best I've ever met...
