

# Robert Earl Keen, Jr., Wild Wind

Down on Main Street after sundown  
Goodtime Charlie and Wanderin' Bill  
Thought they might hold up Happy's Drive-in  
One got away and one never will

Chorus:

That's the way it goes around here  
I think everybody knows  
That's the song they've been singin' for years  
That's the way wild wind blows

Too tall Annie kept her money  
In a Bible she never read  
They found Lefty, her first ex-husband,  
In his new pickup truck at the bottom of the riverbed

(Repeat Chorus)

Luther Martin, he ain't got nobody  
But he sells papers and buys his wine  
His granddaddy owned half of Main Street  
Luther's daddy didn't have a dime

(Repeat Chorus)

Ain't no secret old Doc Skinner  
Wrote prescriptions and made lots of friends  
He could dance like nobody's business  
Folks around here are sure missing him

(Repeat Chorus)
