

Robert Grenier, At Night I Dream (Only Of You)

Life on the road is unbearably hard
I wish you were here by my side
My hands can't write even one more postcard
I wanted you here for the ride

I miss you but I know you're alright
At least you tell me so
I know that I won't be seeing you tonight
That's just the way it goes

So many people in strange little towns
I think of them and I smile
There's something new and it's going around
I guess that makes it all worthwhile

I miss you but I know you're alright
At least you tell me so
I know that I won't be seeing you tonight
That's just the way it goes

At night I dream
Only of you
Do you dream of me too? x2

At night I dream
Only of you
Do you dream of me too? x2
