

Robert Grenier, Get So High

You and I we make such a good team
But you know I still got my small dream
And I know how hard it is to stay clean
When the world is not quite as it seems
But you know I still wanna taste the sunbeam

I don't really know why I get so high
I don't really know why I get so high
I don't really know why I get so high
I'm wasted and confused and I don't know why

You and I we always make it so sweet
Feel it from your head down to your feet
And you know we generate the right heat
Cuz we're always dancing to the same beat
But I still wanna take it to the street

I don't really know why I get so high
I don't really know why I get so high
I don't really know why I get so high
I'm wasted and confused and I don't know why
I don't know why
