

Robert Grenier, Make It Through

You've got so much love to give
and you've had so many years to live
You don't know what to do
But when you look into her eyes
you know that you can sympathize
You'd love to see her through x3

You've got the season on your side
but you've got no car in which to ride
Should you take your bow
And you know that you have dreamed the dreams
but how strong are you at the seams
Who's gonna hurt you now
But you know you'll make it through somehow
You'll make it through somehow
