

Robert Palmer, Dreams To Remember

I got dreams, dreams to remember
I got dreams, dreams to remember
Honey I saw you there last night
Another man's arms holding you tight
Nobody knows how I felt inside
All I know is I walked away and cried
I got dreams, dreams to remember
Dreams to remember
I know you said he was just a friend
But I saw you kiss him again and again
These eyes of mine they don't fool me
Why did he hold you so tenderly
I got dreams, dreams to remember
Dreams to remember
I got dreams, dreams to remember
I still want you to stay
I still love you anyway
I don't want you to ever leave
Girl - you just satisfy me
I know you said he was just a friend
But I saw you kiss him again and again
These eyes of mine they don't fool me
Why did you hold him so tenderly
I got dreams, dreams to remember
Ooh dreams
Brok'n dreams
Don't help each other
Bad dreams
Dreams to remember
Dreams to remember
Dreams to remember
Dreams to remember
Dreams to remember
Dreams to remember
Dreams to remember.....
