

# Robert Palmer, Fine Time

(Robert Palmer)

That's ok, one , two, one, two, three, four

This a fine time to tell me

That you want to stay here

This is a fine time, for you to let me know

This is a fine time for you to let me know you want to play

This is a fine, fine time for you to let me know

You didn't waste any time, telling me how well you behaved

But you , but you,sure as dropped me a line

'Bout patience and danger when meeting a stranger

?????????

This is a fine time

To tell me

To let me know

Oh yes darlin' it is

This is a fine time for you to let me know, let me know

This is this is this is, this is

A fine time

That you want to stay

This is a fine time

For you to let me know Know this is a fine time for you to let me know

That you want to play

This is a fine time

This a fine for you to let me know

You didn't waste any time
