

# Robert Palmer, More Than Ever

Your love keeps coming  
Stronger and stronger, every day  
Like a river that's running turning into a tidal wave

Your love's so strong I can't fight it  
Can't resist your siren's wail  
I won't run I won't fight it-I could lick you any day

Now more than ever  
Now more than ever

Your love keeps coming like tomorrow like judgement day  
Fighting demons  
Turning evil out  
It keeps on driving my blues away  
Read the signs  
Heed the warnings  
Learn the rules  
Play the game  
Your love keeps coming-nothing standing in its way  
Now more than ever  
Now more than ever

You ain't fakin-You can prove it  
You keep meeting me halfway  
Your love keeps coming stronger and stronger every day

Your love keeps riding like a storm conqueror  
Do I need you-do I love you-do I want you like before?

Now more than ever
