

# Robert Palmer, Respect Yourself

Da da da da da da.....  
Doo, doo, doo, doo, doo

If you disrespect  
Everybody that you run into  
How in the world do you think  
Anybody supposed to respect you

If you don't give a heck about  
The man with the Bible in his hand, y'all  
Just get out the way and  
Let the gentleman do his thing

You're the kind of gentleman  
That want everything your way, yeah  
Take the sheet off your face, boy  
It's a brand new day

Respect yourself  
(Da, da, da, da, da)  
Respect yourself  
(Dee, dee, dee, dee, dee)  
If you don't respect yourself  
Ain't nobody gonna give a good cahoot  
Na, na, na, oh, oh  
Respect yourself  
(Da, da, da, da, da)  
Respect yourself  
(Dee, dee, dee, dee, dee)

Da da da da da da.....  
Doo, doo, doo, doo, doo

If you're walking around thinking  
That the world owes you something  
Cause you're here

You're going out the world backward  
Like you did when you first came in, yeah

Keep talking about the President  
It won't stop air pollution  
Put your hand over your mouth  
When you cough  
That'll help the solution

Oh, you cuss around women though  
You don't even know their names  
Then you're dumb enough to think  
That it makes you a big ol' man, yeah

Respect yourself  
(Da, da, da, da, da)  
Respect yourself  
(Dee, dee, dee, dee, dee)  
If you don't respect yourself  
Ain't nobody gonna give a good cahoot  
Na, na, na, oh, oh  
Respect yourself  
(Da, da, da, da, da)  
Respect yourself  
(Dee, dee, dee, dee, dee)

Respect yourself

Respect yourself

Respect yourself, yeah  
(Da, da, da, da, da)  
Respect yourself  
(Dee, dee, dee, dee, dee)

Respect yourself  
(Da, da, da, da, da)  
Respect yourself  
(Dee, dee, dee, dee, dee)

Respect yourself  
(Na, na, na, na, na)  
You better yourself  
(Dee, dee, dee, dee, dee)

Come on, respect yourself  
(Na, na, na, na, na)  
Respect yourself  
Just respect yourself
