Robert Palmer, Sailing Shoes

There's a lady in a turban In a cocaine tree And she does a dance so rhythmically She's a crying and a singing Havin' a time But don't that cocaine tree look fine But you gotta put on your sailin shoes Put on your sailin shoes Everyone will start to cheer When you put on your sailin shoes Doctor, doctor, I feel so bad This is the worst day I ever had Have you this misery a very long time? Well if you if, I'll lay it on the line But you gotta put on your sailin shoes Put on your sailin shoes Everyone will hip hooray When you put on your sailin shoes Jedidah He's got a dime says he catches more fish every time Well I've gotta line If you've got a pole Well I'll meet you at the fishing hole But you gotta put on your sailin shoes Put on your sailin shoes Everyone will start to cheer When you put on your sailin shoes Said, everyone put on Put on your sailin shoes
