Robert Plant & Alison Krauss, Gone Gone Gone (

Some sunny day-hay baby
When everything seems okay, baby
Youll wake up and find out youre alone
Cause Ill be gone
Gone, gone, gone really gone
Gone, ga-gone, cause you done me wrong
Everyone that you meet baby
As you walk down the street baby
Will ask you why youre walkin all alone
Why youre on your own
Just say Im gone
Gone, gone, gone
Gone, ga-gone, cause you done me wrong
If you change your way baby
You might get me to stay baby
Ya better hurry up if ya dont wanna be alone
Or Ill be gone
Gone, gone, gone
Really gone
Gone, Ga-gone
Cause you done me wrong
