

Robert Plant, Let's Have A Party

Some people like to roll
But movin' and a groovin'
Some people like to rock
Gonna satisfy my soul

Let's have a party
C'mon let's have a party
When some people getting bored
Rock some more
Let's have a party tonight

I've never kissed a bear
I've never kissed a goon
I can shake a chicken
In the middle of the room

Let's have a party
C'mon let's have a party
When some people getting bored
Rock some more
Let's have a party tonight
2,3,4

Honky tonky Joe
Is knockin' at the door
Let's bring him in and feel him up
And spin him on the floor

Let's have a party
C'mon let's have a party
When some people getting bored
Rock some more
Let's have a party tonight

The music's getting hot
We're dancing to the beat
Cousin shot the moon
And we're jumping on our feet

Let's have a party
C'mon let's have a party
Then the people get some fun
Rock some more
Let's have a party tonight

Have a party tonight
We're gonna have a party tonight
