

# Robert Plant, Let's Have A Party

Some people like to roll  
But movin' and a groovin'  
Some people like to rock  
Gonna satisfy my soul

Let's have a party  
C'mon let's have a party  
When some people getting bored  
Rock some more  
Let's have a party tonight

I've never kissed a bear  
I've never kissed a goon  
I can shake a chicken  
In the middle of the room

Let's have a party  
C'mon let's have a party  
When some people getting bored  
Rock some more  
Let's have a party tonight  
2,3,4

Honky tonky Joe  
Is knockin' at the door  
Let's bring him in and feel him up  
And spin him on the floor

Let's have a party  
C'mon let's have a party  
When some people getting bored  
Rock some more  
Let's have a party tonight

The music's getting hot  
We're dancing to the beat  
Cousin shot the moon  
And we're jumping on our feet

Let's have a party  
C'mon let's have a party  
Then the people get some fun  
Rock some more  
Let's have a party tonight

Have a party tonight  
We're gonna have a party tonight
