

# Robert Plant, Liars Dance

Far four winds blow  
There's trouble and it won't go  
I'd really like to help you but you know  
Truth twist - liars dance  
Money, money - greed, chance  
Let's take a little more before we go  
Cause we won't be back again  
No we won't be back again

Trees cry - men bow  
Kneel before the fatted cow  
Let's take a little moo before we go  
We won't be back again  
No we won't be back again  
Oh we won't be back again

Tell me Jesus what to do  
A little time for me, and none for you  
Just leave it to the lady who's sure  
She won't be back again  
I know she won't be back again  
I'm sure she won't be back again  
Oh she won't be back again
