

Robert Plant, Louie Louie

(Louie Louie)

(Louie Louie)

Fine little girl she waits for me
I catch the ship for cross the sea
I sail the ship all alone
I never think I'll make it home

Louie Louie, oh, baby, we gotta go now.
Louie Louie, oh, baby, we gotta go now.

All night and day I sail the sea
Me think of girl constantly
I sail the ship I dream she's there
I smell the rose is in her hair

Louie Louie, oh, baby, we gotta go now, oh
Louie Louie, oh, baby, we gotta go now, oh yeah
C'mon c'mon baby, c'mon c'mon baby, ah...

Me see Jamaica moon above
It won't be long, me see my love,
Me take her in my arms again
Me tell I never leave her then

But Louie Louie, oh, baby, we gotta go now, oh
Louie Louie, oh, baby, we gotta go now, oh oh

Louie Louie, oh, baby, we gotta go now oh oh
Louie Louie, oh, oh, oh
(Louie Louie)
C'mon c'mon
