

Robert Pollard, And I Don't (So Now I Do)

I crept into a box of mesmerizing trinkets
and I probably shouldn't think it
and I don't so now I do

A panoramic expo
hey, give me a ballpark estimate
I don't drive a good car or a bargain
so now I do

Here's what I have done for you

a life on the run
a foxhole and a gun
a roof that blocks out the view
I never had one
I didn't want one
and I don't so now I do
