

Robert Pollard, Island Crimes

Read my pictures
Distribute the newsworth, oaf
Try on my crime
Bedazzlement made affordable
Life crimes
Island crimes
Bottled offspring
Life in a minute
All these I bring to you
To you and what's more
Anyone can finger a target

Frame a brick sky and be off
An assignment of models
And also atrocities
Believe in me as I see you
See my story on the spot
Wolfing the creamskin for all the right stuff
Read my pictures
Distribute the newsworth, oaf
Try on my crime
