

Roberta Flack, The Closer I Get To You

The closer I get to you
The more you make me see
By giving me all you've got
Your love has captured me

Over and over again
I tried to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel

Lying here next to you
Time just seems to fly
Needing you more and more
Let's give love a try

Ooooh-ooh-ooh, whoa-oooooh
Sweeter and sweeter love grows
And Heaven's there for those
Who fooled the tricks of time
With the hearts of love they find
True love in a special way

The closer I get to you
The more you make me see
By giving me all you've got
Your love has captured me

Over and over again
I tried to tell myself that we
Could never be more than friends
And all the while inside I knew it was real
The way you make me feel

The closer I get to you
The more you make me see
By giving you all you've got
Your love has captured me

The closer I get to you
The feeling comes over me
Me too
Pulling closer sweet as the gravity
